Mr. Gordon Oehl  
City Clerk  
City of La Puente  
City Hall  
La Puente, California

Dear Mr. Oehl:

Re: Proposed Annexation No. 14  
to the City of La Puente

At the meeting held on November 9, 1960, the County Boundary Commission reviewed the boundary description and map submitted by your Planning Director, William Kemp, with his letter of October 19, 1960, of the proposed annexation of territory to the City of La Puente.

The boundaries were revised at the request of Mr. Kemp to coincide with the existing city boundary along the center line of Puente Avenue.

Although the boundaries submitted do not create islands or corridors of unincorporated territory and conform with record lines and lines of ownership, upon recommendation of the County Engineer, revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code.

With these revisions, the County Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description and a list of special districts involved are enclosed for your use.

Very truly yours,

GORDON T. NESVIG
